EDEN BARN

BOUTIQUE WEDDING VENUE

WHERE TO STAY

At Eden Barn we are all about stress free, easy to organise weddings which includes where to stay.

Positioned on the border of the Lake District/Yorkshire Dales and North Pennines area of National beauty we have a wealth of accommodation on our doorstep.

Take a look a look at the most popular options put together from couples feedback. These are mainly within a 7 mile radius to the barn with some merely a few fields away. We've included a handy google maps link with directions for each one.

Fit your accommodation to your needs and the vibe you wish for your wedding. Choose from laid back luxe holiday homes, quirky farmhouses, hotels, cosy pubs, honeymoon stays through to glamping, with all budgets catered for.

Wondering how to get your guests to and from the barn? It can be as easy as setting up shuttle runs with the taxi companies provided. If you prefer a coach we've included those too.

THE WEDDING PARTY

It's important that you feel relaxed & comfortable in your surroundings on the morning of your wedding, be it with your nearest & dearest or surrounded by your besties.

We've put together our 'Couples Top Picks' that highlight the most popular places for the wedding party to stay.

We booked Brockram and Keld Barns for the weekend of our daughter's wedding at Eden Wedding Barn. Our family stayed in Brockram and the Groom and family stayed in Keld. It worked out just perfectly! We spent a very relaxing morning of the wedding on Saturday getting ready in the beautifully appointed accommodation. The morning after the fabulous wedding day both families were able to join together in Brockram Barn for breakfast in the spacious kitchen with table extended to seat all 16 of us.
